

2021 Garden Season Timeline

March 22: Seasonal Plots open for registration at City Hall or Online \$35 for a 10' by 12' plot plus \$10 deposit returned at the end of the season after site clean-up.

Around April 15 (weather dependent, ground must be unfrozen, but dry enough): Till Garden to prepare for Spring planting. Turn on water to the garden for the season.

By April 26: Open the garden to allow plot owners and volunteers to begin Spring cold crop planting.

Around May 9th (or after last forecasted frost/freeze date): Plant out summer crops

When temps are consistently above 50 degrees: Plant out peppers, eggplants and sweet potatoes.

Around May 31st: Plant pumpkin patch.
