Please Read Before Signing:

1. All dumpsters require a permit which must be approved before a hauler/company can deliver the dumpster.
2. In the event of an emergency a dumpster may be delivered before a permit is approved but the property owner will have 72 hours to obtain a permit
3. All "60-Day Bulky Waste" dumpsters must be removed after 60 days unless the property owner applies for a renewal, maximum of 60 days.
4. "Permanent/Regular Waste" dumpsters must be emptied every 7 days and are required to have a 3-sided enclosure. (call Iowa One-Call before you dig: 1-800-292-8989)
5. This permit must show a drawn map of where the dumpster will be located on the property and the enclosure (if applicable).

It is the property owners' responsibility to comply with the City Ordinance and all applicable laws under the State of Iowa. Failure to meet minimum standards set by the City of Eldora or the State of Iowa may result in penalties including but not limited to suspension of permit, fines, additional fees, or municipal infractions.
